Kitcher Risk Solutions wins second award of the year

The Best Risk Management Consultancy Award announced today gives Kitcher Risk Solutions its second accolade of 2017. This success adds to winning the Railway Employee Performance Consultant of the Year award in February.

Kitcher Risk Solutions secured its first win in the TRANSPORTNEWS Public & Passenger Transport Awards 2017, taking out the award for Railway Employee Performance Consultant of the Year 2017 - Australia.

The second award has just been announced with Kitcher Risk Solutions picking up the prize as Best Risk Management Consultancy in the *Corporate Vision* magazine 2017 Global Excellence Awards.

Kitcher Risk Solutions is a boutique risk consultancy based in Sydney and has been supporting customers in Australasia, Europe and North America since 2013.

Specialising in high risk industries, Kitcher Risk Solutions provides independent, expert advice in the fields of strategic risk-based decision making, the integration of operational risk silos, system safety and the impact of organisational culture and human performance on achieving strategic objectives.
